WHY BECOME A SPONSOR?

MARKETING

Be part of the first mobile-oriented conference in Uruguay. The conference will provide high visibility through social networks presence and local diffusion in tech spaces, universities and tech companies.

RECRUITING

Mobile Day provides an excellent opportunity for connecting tech professionals, entrepreneurs and students with tech companies through networking spaces and visibility in several instances across the event.

COMMUNITY

Support the community! Being a Mobile Day sponsor means being part of a group of companies committed with the development of mobile technologies in Uruguay. This encourages the growth of this community and promotes more enriching experiences to take place in the future.
